*Dear Varsovia Brass Quintet from Warsaw,
Dear Mr Juszcak,*

During the award ceremony for the Polish-German Price on 16th of September 2011 in Warsaw, where the President of the European Parliament, Jerzy Buzek, and I were honoured, the Varsovia Brass Quintet played a fine selection of Baroque and Viennese Classics.

The artists gracefully demonstrated the high level of their skills and made it a truly enjoyable experience to listen to their excellent performance!

*Best regards
